Equine Zone Visits

Our equine zone visit scheme allows you to receive discounted visits from one of our dedicated and experienced equine vets for routine, non-emergency work on pre-determined days.
By planning ahead you can save money and keep on top of your horse's health.

- £20 (inc vat) fee or £10 if shared between multiple clients on the same yard *(FOC if shared between 4+ clients)*
- For pre-booked routine work such as vaccinations, routine dental care, microchipping, passport sketching, sedation for clipping/farrier etc.
- Visit must be pre-booked in advance, by 1pm the preceding day. You will not be able to request a specific time or vet for this visit
- Please rest assured that our normal service will continue to operate alongside zone visits

Payment for zone visits and work carried out must be settled according to our terms of business (within 28 days of invoice date) or a standard visit charge will be applied to your account.

Please note that this is a discounted visit fee available to clients whose accounts are up-to-date and in-line with our terms and conditions.
